**ARMA International** is a not-for-profit professional association and the authority on managing records and information – paper and electronic.  
ARMA offers invaluable resources – find out more at <http://www.arma.org/>  
The association was established in 1955. Its approximately 11,000 members include records managers, archivists, corporate librarians, imaging specialists, legal professionals, IT managers, consultants, and educators, all of whom work in a wide variety of industries, including government, legal, healthcare, financial services, and petroleum in the United States, Canada, and 30-plus other countries.
