About the Keynote Speaker:

Eric Patterson, Director of Business Development: Eric has been providing document management software and services solutions to clients with SourceHOV for over 13 years. He has been involved in many of the largest, most complex jobs in California over that time. Eric has successfully worked on many multi-million dollar projects like the Superior Court of California, County of Orange County, The Boeing Company, Clark County, Clark County School District, LPL Financial, Wells Fargo Bank, and many others. Eric is very active in the imaging community, and has served on the Los Angeles AIIM Chapter Board. Based in SourceHOV's Carson CA Operations Center, Eric Patterson is a results-driven and diligent professional, he possesses business process/strategy development, and problem-solving expertise.
